4.1 Our fees are normally determined on the basis of a number of factors such as time spent, the qualifications, skill, experience, complexity of the work, the resources used, the

value involved, time pressure and result achieved as well as possible risk for us.

4.2 In addition to fees we invoice expenses that are connected to the matter we are handling, e.g. investigation costs, registration fees, fees for other advisers and professionals, courier and travelling costs, costs for temporary extra personnel and the like.

4.3 All fees and expenses are exclusive of value added tax (when we have a legal obligation to add such tax).

4.4 If not otherwise agreed, we will invoice on a monthly basis.

4.5 In certain cases, we may request an advance payment of fees and expenses. The total amount of our fee and expenses for the engagement may be more or less than the amount of the advance payment.

4.6 Each invoice sets out a due date. The due date is normally 15 days from the invoice date. Interest on overdue payment will be computed according to the Swedish Act on Interest (Räntelagen) from due date until full payment is received.

4.9 If an invoice is unpaid after due date we are entitled to immediately end any on-going work for you.

5. Limitation of Liability

5.1 Our liability for any loss or damage suffered by you as a result of misconduct or negligence or breach of contract on our part shall in respect of each engagement be limited to the sum of 10 million (10 000 000) SEK or, if our fee for the engagement concerned is less than one hundred thousand (100 000) SEK, 3 million (3 000 000) SEK.

5.4 Other advisers and professionals shall be deemed independent of us irrespective of whether we have engaged them or if you have engaged them directly. Hence, we assume no liability for other advisers or professionals, neither for choosing or recommending them nor for their advice or other services provided by them. The aforesaid applies regardless of whether they report to us or to you.

5.5 If you have accepted any exclusion or limitation of liability from any other adviser or professional, our total liability to you shall then be reduced by the amount of the contribution that we could have been able to recover from that adviser or professional if its liability to you had not been so excluded or limited and regardless of whether that other adviser or professional would have been able to pay to us.

5.6 We shall not be liable for any loss or damage suffered by you as a result of the use of our work products or advice in any other context or for any other purpose than for which it was given.

5.9 We will not accept any liability for any loss or damage suffered as a result of events beyond our control, which event we reasonably could not have anticipated at the time the engagement was accepted and which consequences we could not reasonably have avoided or overcome.

5.10 If we, at your request, agree that an outside party may rely on our work products or advice, this will neither increase nor otherwise affect our liability to our disadvantage. We can only be held liable to such outside party to the extent we can be liable to you. Any amount payable to an outside party as a result of such liability will reduce our liability to you correspondingly and vice versa. No client relationship with such outside party is assumed.
